</tr>
</tbody>
</table>

4) Kagoshima City
Kagoshima City has a population of about 600,000 and has a long history of international exchange and trade, such as Francis Xavier’s arrival in 1549. Students were sent to Britain in 1865 to learn, even though the government had banned foreign travel in that period. Kagoshima City with a view of Mt. Sakurajima has sister city relationships with Naples, Perth, Changsha, Miami.

The climate of Kagoshima is mild and comfortable throughout the year, guaranteeing a pleasant environment for student life.

Outline of Program

1) Characteristics of the Program

- This program is intended for the students who want to improve their Japanese language abilities (listening, speaking, reading and writing).
- who want to conduct comprehensive studies covering Japanese culture, literature, society and intercultural communication.
- who plan to develop their interest in regional culture and history of Kagoshima as a research theme.
- who want to be guided for data collecting and thesis writing based on a specific theme for their graduation paper.

2) Number of Trainee Students to be accepted: up to 6 (Embassy Recommendation 3, University Recommendation 3)

3) Qualification

(a) Candidates should be a senior or higher grade student of overseas universities majoring in Japanese culture, literature or society.
(b) Candidates should have N 2 or higher level in Japanese language proficiency test.

4) Goals and Objectives

Expected objectives: Passing N1 in JLPT; writing a short paper and giving a presentation focusing on a specific theme of Japanese culture.
5. **Length of the Program**
   October 1, 2016 to September 30, 2017
   Graduation Ceremony will be held in September.

6. **Outline of the Subjects**
   (Semester, Content, Credit, Hours.)
   In principle, the lectures are provided for 15 weeks in each semester.
   Students will either enter **Japanese Training Course** or **The Japanese Language & Culture Research Course**. The choice of which course to enter will be made after taking a placement test as well as consultations with the International Student Center’s teachers.

**Japanese Training Course**
Study of Japanese language and culture within the International Student Center

**Japanese Language & Culture Research Course**
International Student Center Japanese language classes, specialized subjects within other departments and culture classes within the General Education Department.
